SAHASH

INTRODUCTION

Started in 2006 as small a organization in a village Munshiganj,Tehsil of Amethi, District: Amethi Uttar Pradesh, India.

Now SAHASH is a non-profit organization at the national level in India that aims to collaborate and work towards achieving a sustainable improvement in the quality of life.

The organization is primarily involved in activities such as child protection and education, human rights and humanity, rural development, healthcare, women's empowerment and more and has been involved in projects like KHEL KHEL MAIN PADHAI, READ , HAPPY etc.

- SAHASH has been awarded as best Training Institution for MBA interns by NMIMS University, Mumbai in 2013.
- .Qualified as ConnectFor's top 10 NGO's in the Quarter for FY23-24 on 17 July 2023.
- SAHASH also awarded as best NGO by Nehru Yuva Kendra Amethi (Ministry of Youth Affairs and Sports) for executing youth programs in Amethi district on 2-11-2023
- On 15 Aug 2025, Er. Lalmni Kashyap honoured for his remarkable contribution in the field of social work by BBAU Lucknow.

SAHASH

VISION AND MISSION

VISION

Society for Animal Health Agriculture Science and Humanity (SAHASH) is a nonprofit organization with a mission to think, promise and work together within India to achieve a lasting improvement in the quality of life of the poor

MISSION

- SAHASH is dedicated to the betterment of society; Economically, Educationally and Culturally. To work for deprived people for their upliftment and betterment with special emphasis on children, farmers and women and to provide them with livelihood opportunities and bring them into the mainstream of society

The vision and mission provide the foundational direction for all project activities. They emphasize the long-term empowerment of communities rather than short-term aid. Every strategy is aligned with humanitarian values and seeks to build resilient social structures that are led by the people themselves.

SAHASH

MESSAGE FROM FOUNDER

The Society for Animal Health, Agriculture, Science and Humanity was founded with a deep commitment to creating harmony between humans, animals, and nature. Our vision is rooted in the belief that sustainable development is only possible when compassion, scientific knowledge, and responsible action come together.

The Society for Animal Health, Agriculture, Science and Humanity was founded with a deep commitment to creating harmony between humans, animals, and nature. Our vision is rooted in the belief that sustainable development is only possible when compassion, scientific knowledge, and responsible action come together.

Together, let us move forward with courage, knowledge, and compassion to build a future where humanity and nature thrive side by side.

With sincere regards,

Er. Lalmani Kashyap
Founder

SAHASH

EDUCATION

TRAINING AND CAPACITY-BUILDING PROGRAMS

The Society for Animal Health, Agriculture, Science and Humanity actively conducts training and capacity-building programs in Amethi with the aim of empowering individuals, farmers, youth, and community groups. These programs focus on enhancing knowledge, practical skills, and self-reliance.

Key areas include:

- Animal health and welfare training for livestock owners and animal caretakers.
- Agriculture-based skill development, including sustainable farming practices and modern techniques.
- Scientific awareness programs to promote evidence-based decision-making in rural communities.
- Youth and women skill training to improve employability and income-generation opportunities.

Impact: Students 20000+ reached

LEGAL ADVOCACY

SAHASH is committed to promoting justice, awareness, and access to legal rights in Amethi through focused legal advocacy efforts. The organization works to educate communities about laws and policies related to animal welfare, agriculture, environment, and human rights

Impact: Women 15000+ reached

SAHASH

SPORTS TOURNAMENT AND YOUTH DEVELOPMENT ACTIVITIES IN AMETHI

SAHASH organized a sports tournament in Amethi in collaboration with Mera Yuva Bharat, with the objective of promoting youth development, physical fitness, and community engagement.In addition to the tournament, SAHASH actively works for the overall development and physical fitness of youth in Amethi by organizing regular sports and fitness-based activities.

- Promote physical and mental well-being
- Encourage constructive use of youth energy
- Foster unity, confidence, and social inclusion
- Support character building and healthy habits

Impact: Students 7000+ reached

ATMA SURAKSHA CAMPS AND AWARENESS PROGRAMS IN AMETHI

SAHASH actively organizes Atma Suraksha (self-protection) camps and awareness activities in colleges and universities across Amethi, with the objective of empowering students and strengthening their confidence, safety, and personal development. Master Trainer Mr.S.P.Singh trained the girls in these camps.

- Atma Suraksha (Self-Defense and Personal Safety) Training
- Life-Skills Development Workshops

Impact: Girls 5000+ reached

www.sahashindia.org

SAHASH

HEALTH CARE

HEALTH AWARENESS PROGRAMS IN AMETHI

SAHASH actively organizes health awareness programs in Amethi with the objective of promoting healthy lifestyles, preventive healthcare, and informed community participation

Key Focus Areas

- General health and hygiene awareness
- Nutrition and balanced diet education
- Mental health and stress management awareness
- Women's and adolescent health awareness
- Prevention of lifestyle-related diseases

Our camps strengthen preventive healthcare understanding, helping communities lower health risks through informed action.

SAHASH actively organizes preventive health check-up camps, eye care camps, and Menstrual hygiene awareness programs in Amethi, with the aim of improving community health, early disease detection, and health awareness, especially among women and adolescents. **50 Menstrual hygiene awareness camps** organised in association with We the change in Amethi and Noida. **5 Blood Donation Camps** are organised in association with Sanjay Gandhi Hospital in Amethi. **Our initiative reached over 7500 girls and 1,800 women.**

Impact: Students 7000+ reached

SAHASH conducts **6 eye camps** to promote vision health and prevent avoidable blindness, including:

- Eye check-ups and vision screening
- Awareness about eye hygiene and care

www.sahashindia.org

SAHASH

ANEMIA AWARENESS PROGRAMS IN AMETHI

SAHASH organized a Nutrition and Wellness Awareness Programme in Amethi in association with Sahayak Trust, Mumbai with the objective of promoting healthy living practices and improving community well-being. The programme focused on educating community members, women, youth, and adolescents about the importance of balanced nutrition, personal and environmental hygiene, and overall physical and mental wellness

Key Focus Areas

- Awareness on balanced diet and nutritional needs
- Importance of personal hygiene and sanitation
- Prevention of nutrition-related and lifestyle diseases
- Promotion of healthy daily habits and wellness practices
- Guidance on cleanliness, safe drinking water, and food hygiene

Activities Conducted

- Interactive awareness sessions and group discussions
- Expert talks and practical demonstrations
- Distribution of informational and educational materials

Through **20 school-based** camps and **25 community** workshops, our anemia awareness initiative reached over **25,000 girls and 2,000 women**, promoting better health knowledge and preventive care practices.

SAHASH

DISABLED EMPOWERMENT CAMPS

The Society for Animal Health Agriculture Science and Humanity (SAHASH) actively organizes Disabled Empowerment Camps in collaboration with leading corporate partners such as Spark Minda Foundation and others.

These camps are dedicated to improving the quality of life for persons with disabilities. Under the supervision of qualified medical professionals, beneficiaries are carefully examined and provided with essential assistive devices free of cost. These include artificial limbs, spectacles, tricycles, and hearing aids, based on individual needs.

On 24th March 2026, at the Noida Campus, our efforts were recognized by Spark Minda Foundation. We express our sincere gratitude to Mr. Preveen Karan, Head – Group Sustainability & CSR, for this recognition and for giving us the opportunity to be part of such a meaningful initiative.

This initiative reflects a shared commitment toward building an inclusive and empowered society. We deeply appreciate Spark Minda Corporation's continued dedication to serving humanity and creating a sustainable, positive impact.

Impact

Through our Disabled Empowerment Camps, we have been able to create meaningful change in the lives of persons with disabilities by providing essential assistive devices such as artificial limbs, spectacles, tricycles, and hearing aids, participation. Our continued efforts aim to reach many more individuals and build an inclusive society where no one is left behind. **More than 41 beneficiaries** have received support tailored to their individual needs.

www.sahashindia.org

SAHASH

LIVELIHOOD

ENTREPRENEURSHIP DEVELOPMENT TRAINING

SAHASH organizes women empowerment training and awareness programs aimed at enhancing skills, knowledge, and social participation. **Success story of Sangita** is one of the examples. **Goat rearing** also presents a viable solution, as it is a low-cost and high-yield venture that can empower women by providing them with a sustainable source of income through the sale of milk, meat, and by-products.

Through tailoring, women can create and sell custom clothing and crafts, generating a steady income and contributing to their households' financial stability. This skill not only enhances their self-esteem and confidence but also promotes creativity and entrepreneurship

Impact: Women 10000+ reached.

FARMERS' TRAINING ON SUSTAINABLE AND MODERN PRACTICES

SAHASH conducts farmers' training programs on sustainable and modern agricultural practices in collaboration with agricultural universities, KVKs, and the Uttar Pradesh Government Agriculture. Department, while actively creating awareness about government policies and welfare schemes for farmers.

Impact: Farmers 2000+ reached

SKILL DEVELOPMENT FOR YOUTH

SAHASH conducts youth skill development initiatives, career guidance, and counseling programs to help young individuals build successful careers.

Impact: Youth 5000+ reached

SAHASH

ENVIRONMENT

TREE PLANTATION AND ENVIRONMENTAL AWARENESS CAMPAIGNS

We actively engage in tree plantation initiatives and environmental awareness campaigns to protect the environment and promote sustainable development. Conduct tree plantation drive in villages of Amethi like Paschim Duwara village, Kadergaon and other villages. Saplings were distributed to farmers to promote plantation drives, resulting in the planting of more than **5000 trees** in Amethi.

CLIMATE CHANGE

SAHASH raising awareness, influencing policy, empowering communities, and promoting sustainable solutions to mitigate and adapt to climate change.

Impact of SAHASH:

- Raises awareness about climate change and promotes eco-friendly behavior.
- Influences policies by providing grassroots insights and advocating for inclusive climate action.
- Empowers communities with skills, knowledge, and resources to tackle climate challenges.
- Encourages sustainable practices like water conservation, renewable energy, and climate-resilient agriculture.

AWARDS AND RECOGNITION

NMIMS
SCHOOL OF BUSINESS MANAGEMENT

Sub: Certificate of Appreciation

Dear Sir,

On behalf of the School of Business Management, NMIMS I would like to express our appreciation for the time and attention given by Mr. Uma Shankar, State Co-ordinator, in mentoring our student Mr. Jeh Kumar for successful completion of his We Care (Civic Engagement) internship in February 2013 at SAHASH.

We are delighted to inform you that Mr. Jeh Kumar under the mentorship of Mr. Uma Shankar had an enriching learning experience. As part of his internship he undertook a survey project to study the problems of marginal farmers in two villages of Kurukshetra. The project has enabled him to get valuable insights pertaining to the issues of the farming community. The field exposure sensitized him and was highly beneficial for integrating his theoretical learning.

I am thankful to SAHASH, and in particular to Mr. Uma Shankar for mentoring Mr. Jeh Kumar. We look forward to your continued cooperation in the future.

Regards,

Dr. Bhaskar Sahni
Dean, SBM
